ideal

The "ideal" program reflects our commitment to corporate social responsibility

People • improve quality of life

We want to be an employer of choice by offering a favorable environment for professional development and respecting diversity and human rights.

Planet • preserve the environment

We are committed to becoming Net Zero Carbon by 2050, according to the SBTi standard (Science-Based Targets initiative).

Progress • create value responsibly

We are committed throughout our value chain to promoting sustainable food and mobility thanks to our solutions and to our network.

10,000 employees share our values

- Passion for customers
- Respect
- Imagination
- Simplicity
- Entrepreneurial spirit

who?

Leader in specific purpose payments

Edenred is the everyday platform for people at work, connecting an ecosystem of stakeholders with specific purpose payment solutions to food, incentives, mobility and corporate payments.

why?

Payments are at the heart of human interactions; they are essential to progress and well-being.

True to our purpose, **Enrich connections. For good.** we strengthen ties between our 950,000 corporate clients, 2 million partner merchants and 52 million users to ensure smooth and efficient transactions.

Safer

Payments only by a specific person for a specific purpose, eliminating the risk of loss or fraud.

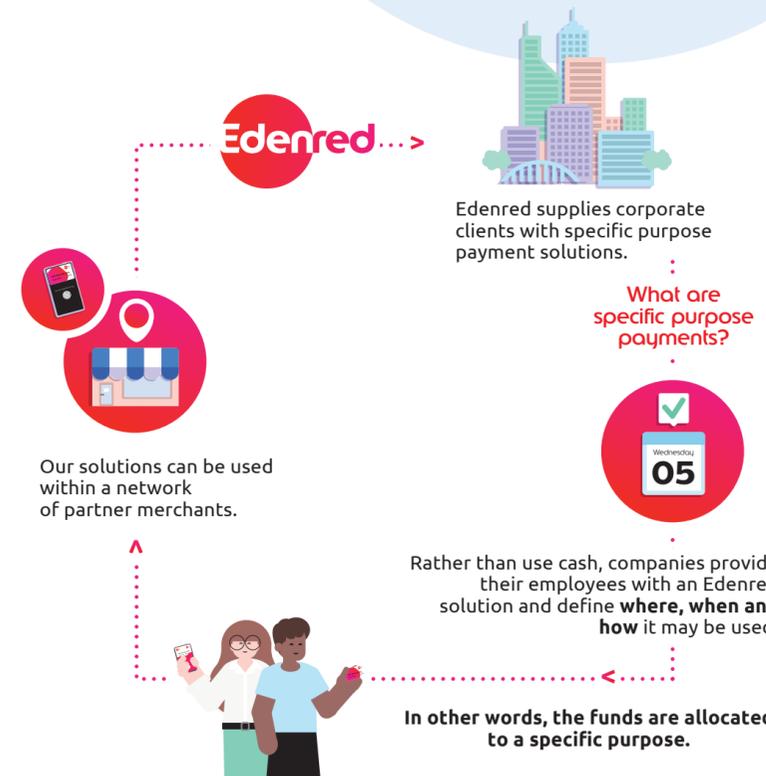

Smarter

Payments in the exact amount, within a specified time frame.

Simpler

Digital and contactless payments, with a click or even directly on the user's smartphone.

how does it work?

our business?

being your everyday companion

Employee Benefits

More purchasing power, a better quality of life

Edenred's employee benefits solutions improve the quality of life of users and their families.

With a mobile app or an employee engagement platform, the users have a wide access to a range of products and services in various domains such as food, health, transport, leisure activities, holidays or culture.

Mobility Solutions

On the road to more responsible mobility

Daily commuting, business trips, long-haul freight transport: our 100% digital solutions allow users to move around safely and in a more cost-effective and responsible way.

We provide multi-energy solutions and various associated services (maintenance, tolls, parking, etc.) enhanced by artificial intelligence and data-science.

Complementary Solutions

More secure and accessible transactions

From digital B2B payments to agricultural subsidy programs for African farmers, Edenred's diverse range of innovative corporate payment technologies help simplify and streamline transactions and other economic flows in the world of work, all around the globe.

Reliable, transparent and secure, these solutions also save time and money.

Enrich connections. For good.
